## FOREVER FASHION!

*Looking good and doing well is a necessity of Dressing is a way of life. Dressing is A MATTER OF taste. Fashion is the style and custom prevalent at a given time. To some it's like a part of their culture and religion. Fashion can be used to serve as an extension of one's own personality or to disguise one's own true self.*

# MATERIAL GIRL

*Being graceful is an art for a woman, she must know how to  
look the best of her dress. Draping herself in the traditional sari.  
She knows exactly what suits her best. She is thoughtful and she  
thinks a lot, she thinks of what to wear and how to wear in the occasion  
of the gown. She carries it with the pride maintaining the  
SILHOUETTE OF THE CHARMING LADY'S  
GRACE.*
