# Styled statement

I have always believed that fashion was not only to make women more beautiful, but also to reassure them, give them confidence

Fashion of dreams

Fashion should be a form of escapism, and not a form of imprisonment

Fashion has to reflect who you are, what you feel at the moment and where you're going

Fashion next level

Fashion is what you're offered four times a year by designers.  
And style is what you choose

Closet full of fashion

I like my money right where I can see it: hanging in my closet

that *One* moment

Fashion should be a form of escapism, and not a form of imprisonment
