# Indian

The greatest thing you can do is to be yourself. It's not about being perfect, it's about being real. It's not about being rich, it's about being happy. It's not about being famous, it's about being loved. It's not about being powerful, it's about being kind. It's not about being smart, it's about being wise. It's not about being beautiful, it's about being authentic. It's not about being successful, it's about being content. It's not about being strong, it's about being resilient. It's not about being brave, it's about being honest. It's not about being confident, it's about being humble. It's not about being independent, it's about being interdependent. It's not about being self-reliant, it's about being self-aware. It's not about being self-sufficient, it's about being self-compassionate. It's not about being self-disciplined, it's about being self-loving. It's not about being self-controlled, it's about being self-accepting. It's not about being self-motivated, it's about being self-empowered. It's not about being self-driven, it's about being self-fulfilled. It's not about being self-actualized, it's about being self-realized. It's not about being self-actualized, it's about being self-actualized.
