ALLUDE

words will always fail me
when i try to write about you.
i can never really capture
any essence of the mesmerising
allure that you always seem to
have like a cloak of stars
draping around you.

ALLUDE

words will always fail me
when i try to write about you.
i can never really capture
any essence of the mesmerizing
glare that you always seem to
have like a look of stars
dropping around you.

ALLUDE

words will always tell me
when I'm in with them you
can never really capture
all extent of the meaning
all so that you always seem to
have got a check of story
draping around you
