

Rich Picking

"The beauty of a woman is not in the clothes she wears, the figure that she carries, or the way she combs her hair. The beauty of a woman is seen in her eyes, because that is the doorway to her heart, the place where love resides. True beauty in a woman is reflected in her soul. It's the caring that she lovingly gives, the passion that she shows & the beauty of a woman only grows with passing years."

Jumping Jack fashion

What is the common factor between design and trends? It's a fashion connection – Both are essential to give perfect fashion look to you.
