Clothing is a form of self-expression
there are hints about
who you are in what you wear.

720

I stay true to myself and my style,
and I am always pushing myself to be aware
of that and be original.

STYLE *Hearty*

Fashion is about something that comes from within you. Fashion is what you buy. Style is what you do with it.

STYLE *Express*

725 What you wear is how you present yourself to the world, especially today, when human contacts are so quick, fashion in instant language.

STYLE *Artistic*

You don't learn style from watching people on a runway.
Fashion happens every morning when you wake up.

Dress like you've made something of yourself in the world,
even if you haven't.

STYLE
Forever

721 Fashion as the most powerful art there is.
It's moment, design, and architecture all in one.
It shows the world who we are and who we'd like to be.
