Accessories like Indian mirrors – an element from historical paintings to jewelry, from pink and blue to red
carpets, from vintage furniture to Indian dishes, they actually bring many memories.
One of the most ancient art forms, traditional Indian painting dates back to the 15th century. It is a
rich tradition made by great Indian artists and masters. Indian paintings are recognizable by
their specific drawing style, inspired by Hindu mythology, ancient stories and legends. A great
master is a woman with elegant, pure and simple lines, with a perfect sense of proportion. A great
master is the person who has the ability to draw all across the globe. It is a perfect art for those who
want to add style and grace to their lifestyle.
