 JEWELLERY

GOLDEN GIRL
 I think one looks very beautiful and I think only
 being there and being comfortable to have, no
 more what you are in, important. There
 should be no kind of stress or discomfort
 around.

FASHION
REFLECTION

I think our bodies are beautiful, and I think only
being there and being comfortable in them, can
make what we are, are so beautiful. They
should be the kind of clothes we should
wear.
