The SHOOTING STAR

"Style is a way to say Who you are without having to speak"
Beautiful... it's not about looks, because as the years go by I will
continue to change... and age it's about what's inside... the fact that
I'm caring first, I always have. I have to listen to people, I love help
people, I'm genuine, real and I am a great friend true beauty is from
within.
